

SUPPORT AN ARMENIAN FAMILY

Armenian Christian Mission assists Armenian families in crisis. We are seeking help from the Australian community to help the needy families in Armenia. We currently sponsor a number of families and many more are awaiting sponsorship.

Launched in December 2007 this project has been well accepted by our Australian community at large. For \$80.00 a month you can sponsor a needy family.

Your support will help them to:

- provide nutritious food for the children
- assist with rent payments
- pay for the medical needs
- provide clothing in winter
- assist with electricity bills
- provide for education expenses and any other needs that a family may have.

Ring today to receive your family support portfolio and help an Armenian family to live with dignity.

For more information or if you would like to sponsor a family please contact us.
